Facilities Master Plan Update

Program Focus Group Common Themes

- Create flexible, robust classroom spaces that:
 - **Connect** visually and physically to shared indoor/outdoor spaces.
 - **Support physical movement** and re-grouping for varied group sizes.
 - Integrated materials and technology within the classroom.
- Program Planning Room: a **flexible space** used for Professional Development and After School programs.
- Middle School Electives: combine traditional electives into **blended programs**.
- Provide **student choice**; explore a 'Hot Desking' model.
- Support the Library as the **Hub** of school; support student independence.
